Option 2: AI used

I, [insert name here], hereby confirm that I used [insert AI system(s) and link(s)] to [specific use of generative artificial intelligence] [number of iterations/drafts]. The tool(s) was/were used to provide [describe content used in task]. The output from the tool(s) was/were modified by [explain use].

1. When using AI, I have ensured that the work produced is still my own and I understand that submitting unmodified output from a generative AI tool as my own is NOT acceptable. I understand that I am expected to build on the output, ensuring any submissions are my own ideas and knowledge.
2. I acknowledge awareness of any updates to the generative AI tools used, up to the date of this submission. This includes AI plug-ins or assistants included in existing programs, such as Grammarly. I take responsibility for any fabricated references or factual errors stemming from the use of these tools.
3. I have informed myself of the limitations and implications of using generative AI and related technologies, including the reinforcement of biases and propensity for fabrication.
4. I have used these tools ethically, including not uploading confidential, private, personal, copyrighted, or otherwise sensitive information.
5. To assist with maintaining academic integrity, I have appropriately acknowledged any use of generative AI in my work (list below as applicable).

6. I acknowledge that any undeclared use of generative AI will constitute academic dishonesty and will be dealt with according to relevant University policy.

7. I understand that I will be held accountable for any academic misconduct that arises in breach of any relevant University policy, as well as the consequences of such infringements.
